

Doggy Daycare

Full Day Monday - Friday From 7am-5.00pm
Closed on Public Holidays

Our daycare doggies love their regular days each week playing and hanging out with their fur-buddies. Your monthly subscription guarantees them routine stimulation games, water fun and lots of love and care from our passionate team.

We offer a variety of packages in daycare, to help make looking after your best friend more affordable! For high energy dogs or very anxious dogs, we do encourage 2 or more days a week for a more settled routine for your fur baby.

The monthly rates are an estimate depending on the number of days in a particular month.

Assessment Day

Assessment Fee (Once Off) R400. We need to spend approximately 30 minutes in the morning with you and your fur baby to ask you important questions that your fur baby can't tell us during the day.

Each fur baby is required to undergo a screening process where they will spend the day with us. The assessment day is just an easy way for us to get a better understanding of their personality. We use this time to get to know how your dog responds to unfamiliar things (people, places & other dogs), we learn to understand their play style and get to know their energy levels. This helps us know which day your dog will fit into easily, so they can have lots of like-minded friends for them to play with! Some find it too stimulating and overwhelming. If this is the case we will discuss this with you and hopefully find a solution going forward.
